SOCIAL ENTERPRISE TRAINING FOR NGOs IN MALAWI FEBRUARY -MARCH 2026

Transform Your NGO into a Sustainable and Impactful Social Enterprise!

Are you ready to move beyond donor dependency and build a resilient, self-sustaining NGO?

The Council for Non-Governmental Organizations in Malawi (CONGOMA), in partnership with NGO Regulatory Authority and other stakeholders, are inviting Expressions of Interest from local and international NGOs to participate in the 2026 Social Enterprise Training Programme. This unique opportunity is designed to empower NGOs with the knowledge, tools, and strategies to innovate, generate income, and enhance sustainability through social enterprise models. The first one of its kind took place in July 2024 in Lilongwe.

In December 2023, CONGOMA developed a policy paper highlighting the powerful synergy between civil society organizations (CSOs) and social enterprises. By combining mission-driven development with business acumen, NGOs can unlock new pathways for impact and sustainability.
